2007 Annual Report

William F. Weir, Esq.
Chair, Board of Trustees

Daniel M. Meyers
President, Al Sigl Center

Dear Friends,

Our 2007 Annual Report is a reflection of history, vision and “Achieving More Together”. This yearbook celebrates 45 years of a unique collaboration, preserving recent accomplishments and special occasions captured in the spirit of our cover subject, Al Sigl, who promoted “doing what you can to make life better with whatever you have to offer”.

A founding vision in 1962 has grown from one to five dynamic campuses across our community, opening new doors and taking the dis out of disabilities. Independence, learning, transportation, mobility, healing, hope and love come to life in our shared spaces.

Bright futures are made possible with the generosity of good friends like you. Our mission is sustained through the kindness of donors whose names are listed on these pages.

Thank you for helping us “Achieve More Together”.

We treasure the smiles of support from all our staff, volunteers and friends.

Dedication

We dedicate our annual report to James M. Moloney, Peter K. Hixson, Ph.D. and Sheila A. Appleby, Ph.D three remarkable leaders and friends who passed away recently. They made profound contributions to our work together. Their vision, advocacy, passion and determination built us and changed us. James M. Moloney served as Al Sigl Center Administrator for 22 years. Peter K. Hixson, Ph.D. served as president of RHSC for over 17 years. Sheila A. Appleby, Ph.D. served the Epilepsy Foundation of Rochester-Syracuse-Binghamton for over 15 years. We will cherish them always with a grateful smile.

THROUGH THE YEARS

Alphonse J. Sigl (1883-1966) was a vibrant newsman and popular radio personality who chronicled the stories of our lives in his columns and daily radio broadcasts. He inspired thousands to respond generously with “whatever they have to offer” when asked. Al Sigl was formally recognized in 1968 for his community commitment and charitable spirit which lives on today in the Center which bears his name. The original building at Elmwood and South Avenues, offered a “dream house” for our agencies, their families and the people with disabilities it was built to serve. It was the first expression of Al Sigl Center and our agencies “Achieving More Together” and continues to be a landmark for spirited collaboration that has grown beyond five dynamic campuses and resonates with success throughout our community. Al Sigl would be pleased with what we have to offer and humbled by the support of our generous friends.
